

NORTHAMPTON SAINTS RFC

---

**TURNSTILE SUPERVISOR**

**JOB DESCRIPTION**

---

Reporting to  
Venue Manager

**Role**

The club's stadium management team is seeking to recruit a number of match day turnstile supervisors to support our existing turnstile operators in resolving any issues with tickets which do not scan correctly.

Our match day staff are some of the most important at Franklin's Gardens - they are a face of the club and sometimes the first people that supporters of any team may come into contact with as a representative of Northampton Saints.

Successful candidates should be aged 21 and over, confident in dealing with members of the public to resolve queries and have strong IT skills.

For more details about any of the above positions email Kristy Coates, Venue Manager, via [kristycoates@northamptonsaints.co.uk](mailto:kristycoates@northamptonsaints.co.uk)
