All posts at Northampton Saints Foundation will be subject to enhanced DBS disclosure if deemed necessary.** Northampton Saints Foundation's application form has training and employment dates as a Child Protection measure. This helps the Foundation to search for gaps in training and/or employment to flag up questions for interview. **Safeguarding policy sent when person has started,**
4. Short list applicants, checking gaps in service and noting questions to ask in interview. Candidates are invited to interview in writing and are requested to provide the following: proof of identity e.g. Page 4 of 6 driving licence or birth certificate, together with a valid passport, and any certificates for qualifications and training appropriate to the post applied for.
5. A panel of at least 2 members of staff, one of whom has been trained in Safer Recruitment and a second who has authority to make the decision on the appointment will meet to: reach a consensus about the required standard for the post; consider the issues to be explored, with each candidate and who will ask them; agree assessment criteria in accordance with Person Specification.
6. Two written references are sought, pre-interview ideally, using a standardised form. Telephone confirmation of the information received is also recorded. References are sought after short listing and prior to interview. Northampton Saints Foundation will not utilise references as a form of criteria for short listing
7. Interview using panel with at least one member who is 'Safer Recruitment' trained with pre-agreed interview questions (include 'Safer Recruitment' questions and questions to check any gaps in the candidate's application). Interviewers should assess the candidate's attitude towards children and young people and his/her ability to support the school's Safeguarding Policy. Any concerns or discrepancies arising from the information provided by the candidate and/or Referee should be addressed; the panel will also ask the candidate if they wish to declare anything in light of the requirement for a DBS disclosure.
